

The following information about Heart and Soul was taken from the brochure promoting their Pig Roast and Baggo Tournament. You can learn more about Heart and Soul by visiting their website, www.heartandsoulfd.org

The Goals of Heart and Soul...

- To monetarily assist those who have special health needs through our family oriented organization.
- To provide local families and friends with the means to deal with the financial hardships relating to certain illnesses.
- To “give back to the community” by helping disadvantaged individuals.
- To partner with local small businesses as well as nationwide businesses in gathering sponsorship monies.
- To partner with major charitable organizations with the plan to bring in funds locally.
- To teach our own families about giving and sharing, as well as the importance of reaching out to their neighbors and community.
- To make this an annual appeal in the family
