Christopher Steele Foundation  
Post Office Box 6188  
Buffalo Grove, IL 60089-6188

Dear Mr. Zakrzewski:

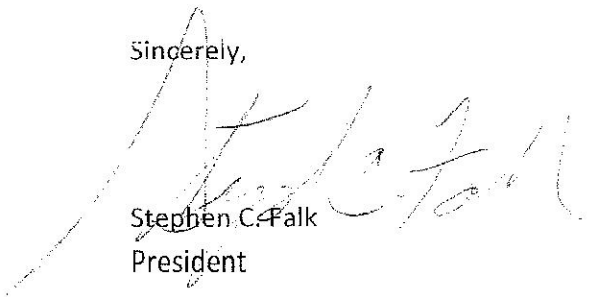

Whenever healing hands touch the life of another here at Northwestern Memorial Hospital, Christopher Steele Foundation's generosity and compassion will be there.

Thank you for affirming your support of the hospital with your wonderful gift to support Mark Agulnik, MD's sarcoma clinical trials and work with sarcoma patients. We have notified Dr. Agulnik of your thoughtfulness. This gift renews the Foundation's membership in The Stréeterville Society for the next 12 months.

Your gift is already working hard and we are grateful for your trust, friendship and support. If ever you have questions about the foundation or the hospital, or if I can be helpful to you, call me at 312-926-7066.

Congratulations on your successful fundraising efforts!

Sincerely,

Stephen C. Falk  
President
