Dear Mr. Zakrzewski:

Thank you. What a wonderful thing the Christopher Steele Foundation has done.

Your donation of \$18,000 was received with great joy and gratitude here at Northwestern Memorial Foundation on 6/1/2016 in support of sarcoma research and treatment under the direction of Mark Agulnik, MD.

Thank you for being part of the hope and healing at Northwestern Medicine once again. From transplant surgery to the dawn of custom cancer therapy to charity care for those who might not otherwise get medical treatment, this work couldn't happen without friends like you.

In the coming months, please know that every research discovery, every medical victory, and every moment of awe and grace and compassion will have you at its heart.

Should you ever have any questions, we are here and happy to help you. You can reach me directly at 312-926-7066. Congratulations to your foundation for the success of your fundraising efforts in the prior year. Thank you again for choosing to give hope to the patients of Northwestern Memorial Hospital with this wonderful gift.

Sincerely,

Stephen C. Falk
President
