May 23, 2013

Mr. Kevin Zakrzewski
President and Co-Founder
Christopher Steele Foundation
P.O. Box 6188
Buffalo Grove, IL 60089

Dear Mr. Zakrzewski:

From the heart of Northwestern Memorial Hospital, thank you to everyone at the Christopher Steele Foundation for your generous support. I would also like to congratulate the Foundation on your successful fundraising efforts.

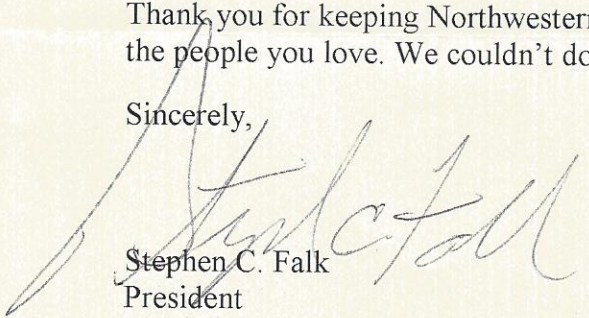

The Christopher Steele Foundation's wonderful gift of \$10,000.00 was gratefully received on 5/8/2013 and qualifies the Foundation for membership to The Streeterville Society for the next 12 months. As requested, your support has been directed to the sarcoma clinical trials and the sarcoma patient database under the direction of Mark Agulnik, MD. We will notify Dr. Agulnik of your thoughtfulness.

Rest assured, your gift will work hard to keep Northwestern Memorial the place of caring that it is today. Whether trailblazing research, innovative therapies, or simply the hand of healing reaching out to touch the life of another, your grace and generosity make it all real.

If you ever have questions, please call me at 312-926-7066 or stop by the foundation office on the third floor of the Galter Pavilion. My colleagues and I would be happy to see you.

Thank you for keeping Northwestern Memorial Hospital here for you, Chicago and for the people you love. We couldn't do it without you.

Sincerely,

Stephen C. Falk
President

PS — I hope to see you at the annual Streeterville Society Program and Reception on May 29th at 5:30pm in the Feinberg Pavilion, 3rd Floor, Conference Room A.
Thank you again!

As no goods or services were provided to you in return for your charitable contribution, the entire amount of your gift is deductible to the extent allowed by law.
