Dear Mr. Steele:

Thank you for your generous support of Sarcoma Research at Northwestern Memorial Hospital. We received your gift of \$10,000 under the direction of Mark Agulnik, MD on 5/5/2010. We will notify Mark Agulnik of your thoughtfulness.

Your philanthropy makes a difference in the lives of our patients and their families, enabling Northwestern Memorial Hospital to provide individualized care in a healing environment. Gifts like yours also allow us to quickly move research from the lab to the patient, and to recruit, train and retain the best physicians, nurses and other caregivers.

Donors like you are special to Northwestern Memorial Hospital because you are part of the team caring for our patients. We will keep you informed of the impact that your giving has on our patients through our *Momentum* newsletter and other special mailings and events throughout the year.

If you have any questions about Northwestern Memorial Hospital, or how to get more involved in the work we do, please don't hesitate to call me at (312) 926-7066.

Sincerely,

Stephen C. Falk
